Women's Support TEAM is building a *TEAM of Coaches* to address the unique issues and challenges that women face...

What makes this program unique?

- Your prospective client can find you and your information online AND
- *Can also "purchase" your coaching service online!*
- You will have your own listing with your name, brief benefit statement and photo on the main [Find a Coach](#) website page.
- You **will also have your own full web page** with your coaching information
- Your coaching transaction will be fully automated, including payment to you.

As long as you can offer your coaching by way of the telephone, you can be eligible for this online coaching opportunity.

WS TEAM is the one-stop web-based resource that helps women achieve more success with less stress through Mentors, Affiliates, & other online tools. We currently have a TEAM of more than 115 Mentors, many of whom are coaches. All Coaches in this program must also be WS TEAM Mentors.

If you are not already a WS TEAM Mentor, learn more here:

http://www.womenssupportteam.com/be_a_mentor.html or sign up here with no cost or obligation -

If you are already a Mentor, simply send an email to coaches@w-s-team.com with the information listed below.

Each Coach will have a listing with her name, brief benefit statement and photo on the main website page at www.WomensSupportTeam.com/Find-A-Coach.html.

Then, each Coach will also have her own full web page with her coaching information as requested below.

Please send us the following as soon as you can so that we can start building your individual Coach page:

- Updated digital photo
- Brief bio – emphasizing coaching experience
- Type & Brief Description of your coaching
- List of benefits of your unique coaching – how you can help women in particular, why you should be their coach, how they will benefit from working with you
- Testimonials (2-4) – women who have benefited from your coaching (as specific as possible)

- Your customary hourly coaching fee
- A special package(s) for WS TEAM – what works for you
- Any kind of guarantee or statement of satisfaction (something to reassure them that they are getting value)
- Anything else that you can think of that would cause a woman to book you as a coach.

Your individual page will have all of the above info plus... a brief 1-3 minute audio introduction (so that the perspective client can hear you as well as see your photo).

Please call us at 443-482-9046 to schedule a time to record the audio – it can be an interview or a solo presentation – your choice.

As soon as we get your information, we will build you your own website page featuring you and send you the link for your review.

Your WS TEAM coaching “package” will be offered through our WS TEAM shopping cart – with a Submit button to process the client’s credit card. The client will receive an autoresponder email telling her how to contact you to set up their coaching session(s).

WS TEAM will retain 20% of the fee for our cost of marketing and processing the transaction. We will set you up as an Affiliate so that your 80% will be automatically allocated and sent to you monthly. You should receive your payment about 30 days after the transaction.

Just contact us at coaches@w-s-team.com if you have any questions about any of this.

Thank you so much for working with us on this newest venture – we sincerely believe that is a great way, for you to move forward and expand your coaching....

With coaching success for you,

Paula
